Cert & Smile GmbH hereby certifies that the company

Fritz Winter Eisengießerei GmbH & Co.KG

Albert-Schweitzer-Straße 15
D-35260 Stadtallendorf

has introduced an occupational health and safety management system for the mentioned site in the area of activities listed in the scope.

SCOPE of the company:

Fritz Winter Eisengießerei GmbH & Co. KG offers cast products primarily for the international automotive and commercial vehicle industry.

Safe and healthy at work is defined by an occupational and health strategy, also against the background of demographic change, for the individual well-being of employees.

Through a third-party audit, by an accredited DAkkS auditor team, it was proven that the ASiG management system complies with

DIN EN ISO 45001:2018

fully implemented and met the requirements.
Compliance is proven annually through a surveillance audit.

Certification date: 24.01 to 26.01.2024
This certificate is valid until: 04.10.2026
Report number: AUB- FW-2024-45001-21031
Certificate number: D-2024-01-45001-21031-FW
